About Us

Giridhari Constructions is a truly Indian construction company, founded and built on exceptional people, a commitment to service excellence and a deep-rooted entrepreneurial spirit. Our people give us that perspective, with their experience, confidence, drive and commitment to always go the extra mile. Together we strive to build more efficiently, more sustainably, more intelligently and more economically – to create cities and communities that don't just function, but inspire. Living on, long after they're delivered.

“

We have four simple values that guide our behaviour and culture of innovation.

Our values permeate through everything we do, including our relationships with our clients, our partners, our suppliers and the communities where we work.
