

ABOUT US

Sri Krishna Constructions (India) Pvt. Ltd. is a well known Company based in Bangalore with interests in real estate development, management and investments. We are committed to providing our clients the best of luxury, quality, ambience, great architecture and value-for-money products.

We are synonymous with the best in amenities, architecture, aesthetics and design. We have for the past several years proved it by identifying areas of rapid real estate growth much in advance. Our projects are all located in the most convenient locations and yield good returns to all our clients.

SKC Royal The Farms is located just off the Mysore road near Bidadi and is designed for today's urbanite to possess large plots near the city.

Our objective at **SKC** is to grow trees of various types, be it commercial plantation like Teak trees, Silver Oak, Neem trees, fruits, vegetables or flowers.

The whole campus will also have a facility of a holiday resort with swimming pool, children's play area, basket ball court, badminton court and various outdoor and indoor games. It is designed to be a perfect getaway and also an ideal long term Real Estate Investment.

Plots are available in 5 guntas (5445 sft.) and above dimensions. An ideal lifestyle and Investment opportunity you dont want to miss.

Proposed Farm Layout Plan at **Bidadi**
